

Call for Nominations for Awards

The Awards Committee is seeking nominations for the APEGS awards, as well as other provincial and national awards such as the Saskatchewan Order of Merit, the Order of Canada, the Canadian Engineers' Awards (Engineers Canada) and the Canadian Professional Geoscientist Award (CCPG).

If you know of a professional engineer or professional geoscientist who should be considered for an award or an exceptional engineering or geoscience project that should receive an award, the committee would like you to nominate that member or project.

There are six APEGS awards: the Brian Eckel Distinguished Service Award, the Outstanding Achievement Award, the McCannel Award, the Promising Member Award, the Exceptional Engineering/Geoscience Project Award and the Environment Award. Criteria for each of the awards are contained in the nomination form that appears on page 12.

In addition to the APEGS awards, the Awards Committee nominates APEGS members for awards presented by both Engineers Canada and the Canadian Council of Professional Geoscientists.

Nominations for awards must be received in time for the Awards Committee to review and consider the nominations for the annual APEGS awards and to prepare nomination packages for provincial and national awards. Nominations for the APEGS awards received by October 31, 2009 will be considered for the 2010 APEGS awards. The Awards Committee would like to develop and maintain a list of nominees for consideration for the various awards.

Please Send Nominations to:
